

Student Support Night at Apollo!

Parents, you are invited to attend an event where you can learn about different ways to support your child at Apollo:

- Get registered and receive training to use Parent Vue- the new system that allows you to check your child's grades and attendance at any time from any computer.
- Get information from the counseling department about graduation requirements.
- Learn about resources on campus that Apollo offers for students, such as the SOAR Center, Career Center, and many other ways that we can get your child the support he/she might need.
- Hear from the math department's intervention specialist about how your child can better succeed in math.

Free childcare will be available while you attend the session!

Snacks and refreshments will be provided!

Spanish speaking staff members will be present!

When: Tuesday, November 17th from 7:00-8:00 P.M.

Where: Apollo High School in the media center. (See map on back)

Why: To give our students the best chance to be successful in high school!

Can't make it in the evening? Come by in the morning between 7:00-7:45 AM in room 806 to receive the information and still get training on using Parent Vue!

Questions? Please contact Leif Barsness at 623-435-6300, or at leif.barsness@guhsdaz.org

This event is supported by Title One of the Elementary and Secondary Education Act.

This event will be in the media center, first floor.
